**Jan Budden** Before joining **Axos Capital**, **Jan Budden** was Executive Vice President at **Deutsche Telekom**, responsible for global business development and strategic partnerships. Prior to that, he held a senior manager position at **Global Crossing** responsible for operations in Germany, Austria and Central and Eastern Europe. In 1996, while working for o.tel.o, he launched the first competitive carrier and corporate services in the newly liberalized telecom markets in Europe.

In 1990 he founded **Euro-Solutions** a company providing investment consulting services for the US embassy department of commerce.

**Jan Budden** studied engineering and economics. He holds a Master of Business Administration from the University of Siegen.

[Tarifica - Telecommunications Consultancy](#)  
[www.tarifica.com](http://www.tarifica.com), 15 Dec 2002 [\[cached\]](#)

**Jan Budden of Deutsche Telekom's T-Systems International** echoed views from East European carriers about the variety of strategies and structures emerging in **C&EE** and the stark differences in wholesale development compared to Western Europe.
