Mr. Besim Beqaj

Minister of Economic Development

Prishtina, 6 June 2011

Honoured Mr. Beqaj,

Thank you for your letter. As indicated earlier I do not find any value added in carrying out an audit of the processes related to the Kosova e Re project. The questions you have raised linked to the payments for the additional services provided by Hunton & Williams LLP and Price Waterhouse Coopers should better be answered by people skilled in the business at stake and legal advisors.

Nevertheless, I have analysed all documents received by you, plus the memorandum regarding the Legal Advisor written by Michael Silverman.

The processes as such leave a number of question marks. But, I have not found any evidence supporting a claim that the invoices for the additional services should not be paid.

Yours sincerely,

Lars Lage Olofsson

Auditor General
